Elopements

Your day, your way with a **Pop-Up Wedding Ceremony!**

And the best part is, we do all the work - so you can simply relax and enjoy the most important day of your life!

What is a 'Pop-Up Wedding'?

A Pop-Up Wedding is similar to an elopement, typically consisting of a short and sweet ceremony with a small guest count. What sets it apart, though, is that the venue is a temporary space and is usually created and broken down by a team; that's us!

Our vision is to give Event Décor Galore bridal couples the gift of a spectacular wedding that is personal, romantic, stress-free and most importantly, fun! Choose an intimate elopement, a lavish ceremony or an all-inclusive ceremony & reception also known as a Micro Wedding – then add all the special extras you've dreamed of to complete your own fairy tale.

As you plan your pop-up wedding, your very own team of experienced wedding professionals will be by your side every step of the way, ensuring you enjoy worry-free planning and total confidence in a perfect wedding day.

How do I plan my Pop-Up Wedding Ceremony?

Step 1 – Choose from a **simple legal signing**, an **intimate elopement** or a complete

Step 2 Pop-Up Ceremony – Select a venue – one of ours, or one of your own!

Step 3 – Add all the 'Pop-Up Extras' you need.

Step 4 – Chat with our team about dates and booking payments...then start planning your dream wedding!

Need help? Our wedding coordinators are here to support you every step of the way!
